

Wiley Online Library

QUICK GUIDE

Homepage

- 1 Login box. Although anyone can search, browse, and view abstracts, registering as a Wiley user allows you to save titles and searches, and set up email alerts.
- 2 If you are not registered and would like to, click here.
- 3 Athens, Shibboleth and Institutional login.
- 4 Search area. Run a simple search directly from the homepage, or go to the Advanced or Saved search pages.
- 5 Browse publications alphabetically.
- 6 Browse by subject.
- 7 Access resources such as pricing, author services, training and user guides

QUICK GUIDE

Results lists and access icons

Search and browse results lists have several functions and filter options available.

- 1 Sort results.
- 2 Edit search query.
- 3 Save search to your profile.
- 4 Filter by publication type.
- 5 Select one or more *search* results to save to your profile or export citations (Plain Text/EndNote/Reference Manager/RefWorks).
- 6 Access icons indicate type of access available for an article or chapter:

-  Free to all users
-  Available free through OnlineOpen
-  Available via a current subscription

QUICK GUIDE

Articles and chapters

Journal Articles and Book Chapters have a similar layout and tool functionality.

- 1 Menu provides quick access to journal/book tools.
- 2 Access publication homepage for more de-tails on journal, book or reference work.
- 3 Browse issues, articles, chapters, Table of Contents.
- 4 Subscribe or renew access.
- 5 Author, journal or book information, and special features section (if applicable).
- 6 Link to volume/issue or book Table of Contents page.
- 7 Access icon—indicates if you have access to the full text of the article or chapter.
- 8 Publication specific search features.
- 9 View abstract/summary, full text, figures, references, tables, supporting information and citations.
